POSTGRADUATE PROGRAMS

Post graduate education is designed for those who plan to pursue an academic career. Post graduate programs at VSSPU provide students with the necessary research skills required to defend their theses and gain a PhD degree. This degree enables its holders to conduct research at the state and private institutions and teach at universities.

Direction 44.06.01 Education and Pedagogical Sciences
Direction 45.06.01 Language and Literature
Direction 46.06.01 Historical Sciences and Archaeology

Readme! The language of study is Russian. If you don't know Russian, you can learn it within a year at our University at the Preparatory Department.

PREPARATORY DEPARTMENT

A year at the Preparatory Department will help you to:

- master enough Russian to study at a Russian university;
- brush up your knowledge of exam subjects;
- learn Russian traditions and adapt to the new lifestyle.

After taking a preparatory course, prospective students can apply to any Russian university for a Russian-taught education program.

As a rule courses start in September-December and end in June-July.
Application dates: during the year

Academic fields	Profession-oriented subjects	Period of study	Cost (rubles/year)
Humanities	Russian language, social studies, history and literature	six to ten months	100 000
Economic sciences	Russian language, social studies, history and mathematics	six to ten months	100 000
Engineering and technology	Russian language, mathematics, physics and Informatics	six to ten months	100 000
Natural sciences	Russian language, mathematics, physics and chemistry	six to ten months	100 000
Medical and biological field	Russian language, chemistry, biology and physics	six to ten months	100 000
Russian language for foreigners (Practical course, Business Russian, Intensive Russian language course ect.)		one month up to one year	Individual lessons – 1000 rub./ hour Groups 2-4 people– 800 rub./ hour Groups of five or more people – 600 rub./hour

STEP 2. Submit an application for education

Fill in the application form and attach a copy of your passport.

Application deadline

Applications for bachelor's, specialist's and master's degree programs	for countries with visa regime start on March 1 and end on June 1
Acceptance of applications for study at the Preparatory Department	during the year

STEP 3. Receive an official invitation from VSSPU

Your application will be considered by the VSSPU University International Cooperation Department. And we launch the invitation process for a student visa.
Readme! Your application doesn't guarantee your enrolment in VSSPU and obtaining a visa.
The invitation process for a student visa takes to 1,5 months.
As soon as the invitation is ready we will send it by your email.
Apply to the Consulate of the Russian Federation to submit the documents for a student visa.

STEP 4. Prepare a full document package to submit to the University as soon as you arrive in Russia

- **Original degree certificate** legalized according to established procedure and its translation into Russian;
- **Original supplement to the degree certificate** legalized according to established procedure and its translation into Russian;
- **Original passport** and its translation into Russian;

Readme! Translations of degree certificates must be notarized or verified in the Russian Foreign Missions (Embassy, Consulate).

- **Certificate of the HIV-negative status and AIDS-negative status** verified by the official agency of the resident country of the candidate;
- **6 identical 3x4 black-and-white photos.**

Readme! For training at the preparatory department the education certificate is not required.
Readme! The university enforces strict rules and deadlines for submission of documentation. Follow the deadlines for submission of documents to the Admission Office.

Deadline for documents acceptance

Level of education	Educational program	Starting date for submitting documents	Date of completion of admission documents
